SUMMARY SUPPORTING APPLICATION FOR
COMPENSATION AND REIMBURSEMENT OF EXPENSES

UNITED STATES BANKRUPTCY COURT
EASTERN DISTRICT OF WASHINGTONCase Name: Giga Watt, Inc.Case Number: 18-03197NARRATIVE SUMMARY (Required by
LBR 2016-1(b)(1)(A) where requested
compensation exceeds \$10,000.00)

Name of Applicant: DBS Law
 Position of Applicant: (Former) Counsel for Unsecured Creditors Committee
 Application Number: One

I. Background of the Case:

Debtor Giga Watt, Inc. was a cryptocurrency mining company that sold customers various products and services, such as "tokens" representing mining capacity, mining machines, and mining machine hosting and servicing. The Unsecured Creditors Committee - comprised of token-holders, miner-owners, and trade creditors - hired DBS to represent it, which representation was approved by the Court on January 23, 2019, nunc pro tunc to January 11, 2019. The UCC successfully moved for the appointment of the Chapter 11 Trustee by order of the Court entered January 17, 2019 (and the Court appointed Mark Waldron to the position on January 23, 2019). In September 2019, the primary attorney at DBS working on representation of the UCC herein left DBS, and has continued representing the UCC through his current firm. DBS now seeks approval of its fees and costs incurred during its representation of the UCC.

NOTE: The following financial information is unknown to DBS Law, which is no longer representing the UCC and has no active involvement in the case. The information provided is based on the Chapter 11 Trustee's request for compensation filed herein on October 8, 2019, Doc. 384.

II. Financial Condition of the Estate:

- A. Profit and Loss: \$71,721.23 (Doc. 384, 10/8/19)
- B. Amount of Cash on Hand or on Deposit: \$95,244.26 (Doc. 384, 10/8/19)
- C. Amount of Accrued Unpaid Administrative Expenses: \$600,000 (Doc. 384, 10/8/19)
- D. Amount of Unencumbered Funds in the Estate: \$71,721.23 (Doc. 384, 10/8/19)

III. Status of the Case:

As of the end of DBS Law's representation of the UCC, the Trustee was re-opening operations at a second Giga Watt facility, known as the "TNT Facility." The Trustee was also maintaining Giga Watt operations in Moses Lake, and was engaged in an adversary proceeding against David Carlson and Clever Capital LLC. The UCC was working to assist the Trustee as needed, and working on its own to communicate with creditors, evaluate claims, and assess potential options for the estate (including both reorganization and sale options) and those options' potential impact on creditors.

IV. Description of Tasks or Projects for which Compensation is Sought:

DBS Law seeks compensation for all the work it performed in representing the UCC from January through September 2019. This includes initial case assessment and work to come up to speed on the unique nature of the Debtor's business, objecting to a motion for relief from stay filed on shortened time by one of the Debtor's landlords, seeking and obtaining appointment of the Chapter 11 Trustee, seeking and obtaining an extension of the deadline to assume or reject leases in order to provide an opportunity for the new Chapter 11 Trustee to handle the same, communicating with various potential lenders and buyers expressing interest in the estate, working with the Trustee to assess the needs of the estate and strategize ways to meet them, communicating with creditors about the case, communicating with the UCC and attending regular UCC meetings in order to provide legal guidance and advice, assisting the UCC in crafting its bylaws, and otherwise acting at the instruction of the UCC to ensure protection of creditor interests. A detailed description of all time spent by each timekeeper is submitted herewith.

V. If a Chapter 11 Case:

A. Status of the Plan and Disclosure Statement:

No Plan has yet been proposed in this case.

B. Status of Submission of Monthly Operating Statements:

The Trustee has submitted regular monthly operating statements, most recently on October 15, 2019.

C. Payment of Quarterly U.S. Trustee Fees: According to Doc 384, \$26,780.15 total

VI. Other Information:

DBS Law seeks approval of its fees and costs in representing the UCC. However, DBS also recognizes that the estate may not yet be in a position to make actual payment of these fees and costs. DBS requests only that these amounts be approved, and that they be paid along with other professional fees when funds allow.
